

FILE PDF THE DEAD ZONE STEPHEN KING

The Dead Zone

Stephen King's fan-favourite thriller. Also available in audio for the first time, read by Academy Award nominee James Franco. The two things that conjured up that horrible night, were his run of luck at the Wheel of Fortune, and the mask . . . Meet Johnny Smith. A young man whose streak of luck ends dramatically in a major car crash. Followed by blackness. A long, long time in cold limbo. When he wakes up life has been turned upside down. His fiancée has met someone else. And Johnny is cursed with the power to perceive evil in men's souls. He's had these hunches since he had an ice-skating accident as a child. Now he has an ability to see into the future. An ability which will bring him into a terrifying confrontation with a charismatic, power-hungry and dangerous man . . .

The Dead Zone

Johnny Smith is an ordinary young man with an engaging grin, a talent for teaching, and a new girl. As he takes Sarah to a carnival, life looks very good. But is his bizarre run of luck on the Wheel of Fortune really a blessing?

The Dead Zone

"A #1 national bestseller about a man who wakes up from a five-year coma able to see people's futures and the terrible fate awaiting mankind in the dead zone--a \"compulsive page-turner\" (the Atlanta Journal-Constitution)\"--

The Dead Zone

Greg Stillson, candidat à la Maison Blanche, est un fou criminel, grand admirateur d'Hitler et d'autres maniaques de l'extermination. Quand il sera élu, ce sera l'Apocalypse. Un seul homme le sait : John Smith, car il est doué d'un étrange pouvoir qui lui attire pas mal d'ennuis, il devine l'avenir. Il n'y a rien de réjouissant à cela. Il peut prévoir les accidents, les catastrophes, les hécatombes. On ne le croit pas, ou alors on le croit trop. John Smith n'a encore rien dit de ses prémonitions. Pourtant, le candidat à la présidence des Etats-Unis est un dément. Que fera John Smith pour son pays ? \" ...suspense, psychologie des personnages astucieusement mise en place, intrigue très éclatée, très cinématographique, pour finalement laisser son lecteur groggy et content !\" Jean-Claude Perrier, Le Quotidien de Paris \" Grâce soient rendues à Stephen King de nous rappeler que \" suspense \" et \" sentiments \" commencent par la même lettre. \" Michel Grisolia, l'Express

Stephen King's The Dead Zone

The Stand is a classic tale of good vs. evil, loss weighed against redemption and despair pitted against hope. It is an apocalyptic vision of man's battle to save life against a worldwide plague of death. For when Captain Trips works its way across the land, it is time to make a stand. Award-winning writer Roberto Aguirre-Sacasa (HBO's Big Love), and artists Mike Perkins (Captain America) and Laura Martin (Astonishing X-Men), join forces to bring one of the great novels of modern literature to life through graphic art storytelling. Collecting Stephen King's THE STAND: CAPTAIN TRIPS #1-5

The Stand - Volume 1

From legendary master storyteller Stephen King, a riveting story about “an ordinary man in an extraordinary condition rising above hatred” (The Washington Post) and bringing the fictional town of Castle Rock, Maine together—a “joyful, uplifting” (Entertainment Weekly) tale about finding common ground despite deep-rooted differences, “the sign of a master elevating his own legendary game yet again” (USA TODAY). Although Scott Carey doesn't look any different, he's been steadily losing weight. There are a couple of other odd things, too. He weighs the same in his clothes and out of them, no matter how heavy they are. Scott doesn't want to be poked and prodded. He mostly just wants someone else to know, and he trusts Doctor Bob Ellis. In the small town of Castle Rock, the setting of many of King's most iconic stories, Scott is engaged in a low grade—but escalating—battle with the lesbians next door whose dog regularly drops his business on Scott's lawn. One of the women is friendly; the other, cold as ice. Both are trying to launch a new restaurant, but the people of Castle Rock want no part of a gay married couple, and the place is in trouble. When Scott finally understands the prejudices they face—including his own—he tries to help. Unlikely alliances, the annual foot race, and the mystery of Scott's affliction bring out the best in people who have indulged the worst in themselves and others. “Written in masterly Stephen King's signature translucent...this uncharacteristically glimmering fairy tale calls unabashedly for us to rise above our differences” (Booklist, starred review). Elevation is an antidote to our divisive culture, an “elegant whisper of a story” (Kirkus Reviews, starred review), “perfect for any fan of small towns, magic, and the joys and challenges of doing the right thing” (Publishers Weekly, starred review).

Elevation

\"The Dead is one of the twentieth century's most beautiful pieces of short literature. Taking his inspiration from a family gathering held every year on the Feast of the Epiphany, Joyce pens a story about a married couple attending a Christmas-season party at the house of the husband's two elderly aunts. A shocking confession made by the husband's wife toward the end of the story showcases the power of Joyce's greatest innovation: the epiphany, that moment when everything, for character and reader alike, is suddenly clear.

The Dead

Master storyteller Stephen King presents the classic, terrifying #1 New York Times bestseller about a terrifying otherworldly discovery and the effects it has on a small town. “Late last night and the night before, Tommyknockers, Tommyknockers, knocking at the door...” On a beautiful June day, while walking deep in the woods on her property in Haven, Maine, Bobbi Anderson quite literally stumbles over her own destiny and that of the entire town. For the dull gray metal protrusion she discovers in the ground is part of a mysterious and massive metal object, one that may have been buried there for millennia. Bobbi can't help but become obsessed and try to dig it out...the consequences of which will affect and transmute every citizen of Haven, young and old. It means unleashing extraordinary powers beyond those of mere mortals—and certain death for any and all outsiders. An alien hell has now invaded this small New England town...an aggressive and violent malignancy devoid of any mercy or sanity...

The Tommyknockers

Stephen King's apocalyptic vision of a world blasted by virus and tangled in an elemental struggle between good and evil remains as riveting and eerily plausible as when it was first published. Soon to be a television series. 'THE STAND is a masterpiece' (Guardian). Set in a virus-decimated US, King's thrilling American fantasy epic, is a Classic. First come the days of the virus. Then come the dreams. Dark dreams that warn of the coming of the dark man. The apostate of death, his worn-down boot heels tramping the night roads. The warlord of the charnel house and Prince of Evil. His time is at hand. His empire grows in the west and the Apocalypse looms. When a man crashes his car into a petrol station, he brings with him the foul corpses of his wife and daughter. He dies and it doesn't take long for the virus which killed him to spread across America and the world.

The Stand

This omnibus edition from horror writer Stephen King includes *The Eyes of the Dragon* and *Firestarter*. Both books were originally published in the 1980s.

Stephen King Omnibus

"The 'extraordinary' (Booklist) novel of one man's quest to find the source of his nightmare and to reverse it before he becomes...nothing at all. This #1 national bestseller from Stephen King, writing as Richard Bachman, "pulsates with evil...it will have you on the edge of your seat" (Publishers Weekly)"--

Thinner

Set in the fictional town of Castle Rock, Maine A "wondrously frightening" (Publishers Weekly) tale of terror and #1 national bestseller about a writer's pseudonym that comes alive and destroys everyone on the path that leads to the man who created him. Thad Beaumont is a writer, and for a dozen years he has secretly published violent bestsellers under the name of George Stark. But Thad is a healthier and happier man now, the father of infant twins, and starting to write as himself again. He no longer needs George Stark and so, with nationwide publicity, the pseudonym is retired. But George Stark won't go willingly. And now Thad would like to say he is innocent. He'd like to say he has nothing to do with the twisted imagination that produced his bestselling novels. He'd like to say he has nothing to do with the series of monstrous murders that keep coming closer to his home. But how can Thad deny the ultimate embodiment of evil that goes by the name he gave it--and signs its crimes with Thad's bloody fingerprints? *The Dark Half* is "a chiller" (The New York Times Book Review), so real and fascinating that you'll find yourself squirming in Stephen King's heart-stopping, blood-curdling grip--and loving every minute of it.

The Dark Half

It began--and ended--in 1958 when seven desperate children searched in the drains beneath Derry for an evil creature, but in 1985, Mike Hanlon, once one of those children, makes six phone calls and disinters an unremembered promise that sets off the ultimate terror.

It

Contents: Hope springs eternal : Rita Hayworth and Shawshank redemption -- Summer of corruption : Apt pupil -- Fall from innocence : The body -- A winter's tale : The breathing method.

Different Seasons

It: Chapter Two—now a major motion picture! Stephen King's terrifying, classic #1 New York Times

bestseller, “a landmark in American literature” (Chicago Sun-Times)—about seven adults who return to their hometown to confront a nightmare they had first stumbled on as teenagers...an evil without a name: It. Welcome to Derry, Maine. It’s a small city, a place as hauntingly familiar as your own hometown. Only in Derry the haunting is real. They were seven teenagers when they first stumbled upon the horror. Now they are grown-up men and women who have gone out into the big world to gain success and happiness. But the promise they made twenty-eight years ago calls them reunite in the same place where, as teenagers, they battled an evil creature that preyed on the city’s children. Now, children are being murdered again and their repressed memories of that terrifying summer return as they prepare to once again battle the monster lurking in Derry’s sewers. Readers of Stephen King know that Derry, Maine, is a place with a deep, dark hold on the author. It reappears in many of his books, including Bag of Bones, Hearts in Atlantis, and 11/22/63. But it all starts with It. “Stephen King’s most mature work” (St. Petersburg Times), “It will overwhelm you...to be read in a well-lit room only” (Los Angeles Times).

Dead zone

What if a stray virus accidentally killed all the men on earth? \“One of the Best Books of 2019\” -- Kirkus Reviews (starred review). Winner of the 2019 National Indie Excellence Award for Visionary Fiction. Winner of the 2019 Maxy Award for Science Fiction. Finalist for the 2019 IAN Book of the Year Awards. Finalist for the 2019 NIEA for Science Fiction. \“A daring book that will stay in readers' minds long after the final page.\” -Kirkus Reviews (starred review) Athena Vosh lives just like any other teenager from the year 2099. She watches reality shows with her friends, eats well, and occasionally wonders to herself: what would life be like if men were still alive? It has been almost 50 years since an experimental virus accidentally killed all the men on earth. However, a controversial project is currently underway to bring men back. There's just one catch. The project has been sabotaged. So begins the award-winning novel, Athena's Choice. When the police of 2099 are tasked with finding the saboteur, they receive a mysterious command to investigate the otherwise innocuous Athena Vosh. After it becomes clear that the young girl might know more than she lets on, Athena is brought in to participate in the official investigation. Simultaneously, the girl begins to experience a series of cryptic dreams featuring a ruined library and an old book containing the saboteur’s true identity. As the police close in on their prize, Athena finds herself on a journey of her own. Her clue-filled dreams and incorruptible spirit bring her face-to-face with a pair of forgotten truths about happiness and gender. The world waits to see if men will return as Athena fights a separate battle all on her own, culminating in the choice that will define her and other's lives forever. \“I have spent days thinking of nothing except this book and I can honestly say, without hesitation, that I loved it.\” -Mackey S, Macsbooks \“The story is thought-provoking, troubling, fascinating, and compelling. This is science fiction at its best.\” -Chris, Amazon Reviewer \“An interesting concept that the author uses in full force to tell an incredible, lush story.\” -Hannah S, Librarian

It

A horror story of a children's pet cemetery and another graveyard behind it from which the dead return.

Athena's Choice

A USA TODAY BESTSELLER In this thrilling sequel to the New York Times bestselling novella by Stephen King and award-winning author Richard Chizmar, an adult Gwendy is summoned back to Castle Rock after the mysterious reappearance of the button box. Something evil has swept into the small Maine town of Castle Rock on the heels of the latest winter storm. Sheriff Norris Ridgewick and his team are desperately searching for two missing girls, but time is running out. In Washington, DC, thirty-seven-year-old Gwendy Peterson couldn’t be more different from the self-conscious teenaged girl who once spent a summer running up Castle Rock’s Suicide Stairs. That same summer, she had been entrusted—or some might say cursed—with the extraordinary button box by Richard Farris, the mysterious stranger in the black suit. The seductive and powerful box offered Gwendy small gifts in exchange for its care and feeding until Farris

eventually returned, promising the young girl she'd never see the box again. One day, though, the button box suddenly reappears but this time, without Richard Farris to explain why, or what she's supposed to do with it. Between this and the troubling disappearances back in Castle Rock, Gwendy decides to return home. She just might be able to help rescue the missing girls and stop a dangerous madman before he does something ghastly. With breathtaking and lyrical prose, Gwendy's Magic Feather explores whether our lives are controlled by fate or the choices we make and what price we sometimes have to pay. Prepare to return again to Stephen King's Castle Rock, the sleepy little town built on a bedrock of deep, dark secrets, just as it's about to awaken from its quiet slumber once more.

Pet Sematary

Don't miss King's #1 chilling classic, now a major motion picture from Warner Bros. Pictures. Available in cinemas (UK and Germany) or stream on MAX from October 2024. 'Salem's Lot is a small New England town with white clapboard houses, tree-lined streets and solid church steeples. Of course there are tales of strange happenings - but no more than in any other such town. Ben Mears has returned to the Lot to write a novel and exorcise the terrors that have haunted him since childhood - since the event he witnessed at the Marsten House. He finds the house has been rented by a newcomer, a man who causes Ben some unease. And then things start to happen: a child disappears, a dog is brutally killed - nothing unusual, except the list keeps growing...

Gwendy's Magic Feather

This eerie ghost story, from Richard Matheson, the award-winning author of Hell House and I Am Legend, inspired the acclaimed 1999 film starring Kevin Bacon. Tom Wallace lived an ordinary life, until a chance event awakened psychic abilities he never knew he possessed. Now he's hearing the private thoughts of the people around him-and learning shocking secrets he never wanted to know. But as Tom's existence becomes a waking nightmare, even greater jolts are in store as he becomes the unwilling recipient of a compelling message from beyond the grave! At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

'Salem's Lot

Three children discover a magical bag of chalk on a rainy day

A Stir of Echoes

It's not just a game when you're running for your life. Every night they tuned in to the nation's favourite prime-time TV game show. They all watched, from the sprawling slums to the security-obsessed enclaves of the rich. They all watched the ultimate live death game as the contestants tried to bet not the clock, but annihilation at the hands of the Hunters. Survive thirty days and win the billion dollar jackpot - that was the promise. But the odds were brutal and the game rigged. Best score so far was eight days. And now there was a new contestant, the latest running man, staking his life while a nation watched.

Chalk

“[We] can't get enough of Christie's plush and murderous thrills.” —Entertainment Weekly From the Queen of Mystery—this all-new collection of stories about love gone horribly wrong will get your heart racing. Love can propel us to our greatest heights . . . and darkest depths. In this new compendium of Agatha Christie short stories, witness the dark side of love—crimes of passion, games of the heart, and deadly deceptions. This pulse-pounding compendium features beloved detectives Hercule Poirot and Miss Marple, master of charades Parker Pyne, the enigmatic Harley Quin, and the adventurous Tommy and Tuppence, all

at the ready to solve tantalizing mysteries. In “The Face of Helen,” a night at the Royal Opera could reach a fatal crescendo for a woman caught in a dicey love triangle; “Finessing the King” delivers a curious ad in the personals that could mask sinister intentions; who’s in danger of getting stung in “Wasps’ Nest” depends on rounding up suspects and solving a murder—before it even happens. These are just a few of the tales in this collection featuring essential reading that Christie fans old and new will simply love to death.

The Running Man

One Road-one Destiny-two men. Two men and on road; lives forever changed and not for the better. Mark and Kevin leave two bars late at night and come face to face with a horror so indescribable that only Hell can say what is next. You will not like the answer. Fasten your seat belt if it makes you feel any better. It doesn't make a difference.

A Deadly Affair

Enter once more the world of Roland Deschain—and the world of the Dark Tower...presented in this stunning fourth graphic novel of The Drawing of the Three story arc that will unlock the doorways to terrifying secrets and bold storytelling as part of the dark fantasy masterwork and magnum opus from #1 New York Times bestselling author Stephen King. “The man in black fled across the desert, and the gunslinger followed.” With these unforgettable words, millions of readers were introduced to Stephen King’s iconic character Roland Deschain of Gilead. Roland is the last of his kind, a “gunslinger” charged with protecting whatever goodness and light remains in his world—a world that “moved on,” as they say. In this desolate reality—a dangerous land filled with ancient technology and deadly magic, and yet one that mirrors our own in frightening ways—Roland is on a spellbinding and soul-shattering quest to locate and somehow save the mystical nexus of all worlds, all universes: the Dark Tower. Now, in the graphic novel series adaptation Stephen King’s *The Dark Tower: The Drawing of the Three*, originally published by Marvel Comics in single-issue form and creatively overseen by Stephen King himself, the full story of Roland’s saga continues. Sumptuously drawn by Piotr Kowalski, Jonathan Marks, Juanan Ramirez, and Cory Hamscher, plotted by longtime Stephen King expert Robin Furth, and scripted by New York Times bestselling author Peter David, *The Drawing of the Three* adaptation is an extraordinary and terrifying journey—ultimately introducing a generation of new readers to Stephen King’s modern literary classic *The Dark Tower*, while giving longtime fans thrilling adventures transformed from his blockbuster novels.

Dead zone

When the Tuckers' next door neighbor mentions someone rang their doorbell late the previous night, Sarah and Kenny Tucker check their home's security camera and discover something shocking: the doorbell ringer also visited their house... and it was a terrified young woman with a shackle hanging from her right wrist.

The Girl on the Porch

"Legendary storyteller Stephen King goes into the deepest well of his imagination in this spellbinding novel about a seventeen-year-old boy who inherits the keys to a parallel world where good and evil are at war, and the stakes could not be higher--for that world or ours." --

Dead Zone – Das Attentat

The trade paperback reprint of James Franco's thoughtful reflection on childhood through a series of personal snapshots, sketches, paintings, poems, and short stories. An actor treads the line between reality and fiction every time he plays a part, and for James Franco, that exploration isn't limited to the screen—he's also a visual artist with several exhibitions under his belt as well as the author of the widely praised story collection Palo Alto. In A California Childhood he plays with the concept of memoir through personal snapshots, sketches, paintings, poems, and stories. "I was born in 1978 at Stanford Hospital and spent my first eighteen years in a single house at the end of a cul-de-sac in Palo Alto," Franco writes in his introduction. Steve Jobs's daughter and the grandson of one of the Hewlett-Packard founders may have both been in his graduating class, but just across the freeway from his home turf lay East Palo Alto, which in 1992 had the highest murder rate per capita in the country. For Franco, the terrain of his upbringing is fraught with the complication of a city divided. But within that diversity, universal aspects of adolescence rise to the surface, and those are the subjects at the heart of Franco's work. Ultimately this is a portrait of a childhood brightened by California sunshine, but with trouble waiting in the shadows. At turns funny, dark, and emotional, the journey of this book delivers an undeniable immediacy. And at the end, the reader is left wondering just where the boundary lies between Franco's art and his true life.

The Absolute Book

From the award-winning master of new wave horror films comes a mesmerizing new story of the strange and the unexpected. Based on David Cronenberg's screenplay, starring Jennifer Jason Leigh and Willem Dafoe, this is the graphic novel of the movie eXistenZ, drawn by talented graphic artist Sean Scoffield. The story revolves around eXistenZ, a virtual reality game of wild and unpredictable fantasy invented by the gaming goddess, Allegra Geller. Using biotechnic adaptations, her new game is plugged directly into each player's

spinal cord. Because the gaming pod has access to the memories, anxieties and preoccupations of its players, the direction each game takes depends entirely on who's playing. The game is so realistic that players often cannot tell which dimension they are inhabiting. While gaming devices plug in at the unveiling of eXistenZ, an assassin tries to kill Allegra Geller with a strange but deadly gristle gun made of human flesh that fires human teeth. In the confusion, Allegra is rescued by bodyguard Ted Pikul, and so begins an adventure in which nothing is what it seems and rival guerrilla factions fight and kill for who will control the dangerously intriguing game of eXistenZ. At stake is the very notion of what we know as the real world. In this disturbingly labyrinthine world of morphing realities, master fantasist David Cronenberg holds us spellbound as we weave toward the unexpected climactic ending to this tale about the fragility of reality.

Fairy Tale

Only Stephen King, writing as Richard Bachman, can imagine the horror of a good and angry man who fights back against bureaucracy when it threatens to destroy his vitality, home, and memories. "Under any name King mesmerizes the reader" (Chicago Sun-Times). It's all coming to an end for Barton Dawes. The city's Highway 784 extension is in the process of being constructed right across town and inexorably through every aspect of Bart's existence—whether it's about to barrel over the laundry plant where he makes a living, or soon to smash through the very home where he makes a life. But as a result, something's been happening inside Bart's head that a heartless local bureaucracy isn't prepared for—a complete and irrevocable burnout of the mental circuit breaker that keeps a mild-mannered person from turning to violent means. As the wheels of progress and a demolition crew continue unabated throughout Bart's neighborhood, he's not about to give everything up without a fight. As a matter of fact, he's ready and waiting to ignite an explosive confrontation with the legislative forces gathered against him...

A California Childhood

Everything you wanted to know about the characters from Stephen King's *The Dead Zone*. Who were their friends and family members? Where did they work or go to school? What did they drive? All this, with physical descriptions, a history of what they did (or was done to them), and more. *The Dead Zone Rap Sheets* is the sixth book of the *Bumpy-Bumpy-Bump Behind the Scenes* series. This series has the background information used to create *Bumpy-Bumpy-Bump!: The Stephen King Daily Reader*.

David Cronenberg's Existenz

Welcome to Desperation. Once a thriving copper mining town in the middle of the Nevada desert, Desperation is now eerily abandoned. It's the last place that travellers like the Carver family, bound for vacation, and writer Johnny Marinville, astride his Harley, would expect to be stopped and charged. But Desperation still has a local cop - a unique regulator who patrols the wilderness highway. The secrets buried in Desperation are as terrifying as the forces summoned to encounter them. A terrifying transformation is taking place and the travellers will soon discover the true meaning of desperation . . .
