## **Mahadevi Varma**

The essays collected in this Reader represent some of Mahadevi Varma's most famous writings on the \"woman question\" in India. The collection also includes an introduction to her life, with biographical notes, an analysis of her importance in the field of Hindi letters, as well as a selection of her poems. The editor has included essays that reflect not only Mahadevi's ideas about the place of women in the home and the world during the nationalist period in India, but also articles that reveal her dreams and hopes for the future (and the past) of the Hindi-Urdu language. While many of these essays were written during the 1920s and 1930s when Mahadevi served as editor for the literary journal Chand, some of them appear to have been written much later, after India gained independence. The translators have tried to remain faithful to the Hindi, often keeping the syntax of the Hindi original.

My Family is a collection of pen portraits on a few of the many animals with whom Mahadevi Varma chose to spend her life. Set in a time when human and non-human worlds were still permeable, the book describes the singular personalities of Mahadevi's adoptive animals and the unique relationships she enjoyed with each of them. There is Gillu the frisky squirrel, Neelkanth the gorgeous caring peacock, Sona the affectionate doe with liquid eyes, Neelu the imperious yet loyal mountain dog, and others whom Mahadevi magically brings to life on the page. Brilliantly translated by Ruth Vanita and peppered with Mahadevi's sparkling wit, these sketches depict a memorable life lived with a special chosen family. In her erudite introduction, Vanita analyses various dimensions of Mahadevi's life and work, illuminates her historical and literary legacy, and reviews the myriad debates on humans' coexistence with animals.

## Times of India Illustrated Weekly

Honorable Mention, Harry Levin Prize, 2022 (American Comparative Literature Association) Beyond English: World Literature and India radically alters the debates on world literature that hinge on the model of circulation and global capital by deeply engaging with the idea of the world and world-making in South Asia. Tiwari argues that Indic words for world (vishva, jagat, sansar) offer a nuanced understanding of world literature that is antithetical to a commodified and standardized monolingual globe. She develops a comparative study of the concept of “world literature” (vishva sahitya) in Rabindranath Tagore's works, the desire for a new world in the lyrics of the Hindi shadowism (chhayavaad) poets, and world-making in Thakazhi Sivasankara Pillai's Chemmeen (1956) and Arundhati Roy's The God of Small Things (1997). By emphasizing the centrality of “literature” (sahitya) through a close reading of texts, Tiwari orients world literature toward comparative literature and comparative literature toward a worldliness that is receptive to the poetics of a world in its original language and in translation.

Now available in English for the first time, Mahadevi's poignant memoir-tales bring to life the degrading experiences of the faceless and nameless multitudes. Whether it is Binda, the lonely orphan girl victimized by her stepmother; Bhabi, the emotionally and physically abused child widow barred from any contact with

the outside world; or Sabiya, the poor sweeper woman deserted by her husband shortly before the birth of their child, the subjects of Mahadevi's memoir convey her universalist vision to resurrect the inner dignity of "these wounded and mauled lives". Through her recollective tales, Mahadevi connects the exploitation of her characters with the subjugation of all women, indeed of all oppressed people. Her compelling memoir transcends the borders of culture and time.

## **My Family**

These memoirs are not meant to be mere detached descriptions of incidents nor reportage of my own life story or the life stories of others. They are emotional journeys begun with the purpose of recreating those moments in which I shared and lived the feelings and experiences of others. A Pilgrimage to the Himalayas (Smriti Ki rekhyan) is a curious mix of memoirs, sketches and essays. Ably translated, it describes India as it was before independence through a series of encounters. As fluid and absorbing as stories, the portraits are marked by a deep sense of authorial empathy. Also, rarely have the common people of that period been represented so vividly and the work gives us remarkable insight into their modes of thought, social norms and religious beliefs-in the process of being redefined but still faithfully pursued by the simple folk who believed in the permanence of the old ways.

## **Report - Government of India, Ministry of Information and Broadcasting**

"An outstanding literary biography" AMITAV GHOSH "Mukul writes beautifully, and brings to life a man who has often been misunderstood" BENJAMIN MOSER "This book is a remarkable contribution to the world of Indian letters: ANNIE ZAIDI Sachchidanand Hirananda Vatsyayan 'Agyeya' is unarguably one of the most remarkable figures of Indian literature. From his revolutionary youth to acquiring the mantle of a (highly controversial) patron saint of Hindi literature, Agyeya's turbulent life also tells a history of the Hindi literary world and of a new nation-spanning as it does two world wars, Independence and Partition, and the building and fraying of the Nehruvian state. Akshaya Mukul's comprehensive and unflinching biography is a journey into Agyeya's public, private and secret lives. Based on never-seen-before archival material-including a mammoth trove of private papers, documents of the CIA-funded Congress for Cultural Freedom and colonial records of his years in jail-the book delves deep into the life of the nonconformist poet-novelist. Mukul reveals Agyeya's revolutionary life and bomb-making skills, his CIA connection, a secret lover, his intense relationship with a first cousin, the trajectory of his political positions, from following M.N. Roy to exploring issues dear to the Hindu right, and much more. Along the way, we get a rare peek into the factionalism and pettiness of the Hindi literary world of the twentieth century, and the wondrous and grand debates which characterized that milieu. Writer, Rebel, Soldier, Lover features a formidable cast of characters: from writers like Premchand, Phanishwarnath Renu, Raja Rao, Mulk Raj Anand and Josephine Miles to Prime Minister Jawaharlal Nehru, revolutionary Chandra Shekhar Azad and actor Balraj Sahni. And its landscapes stretch from British jails, an intellectually robust Allahabad and modern-day Delhi to monasteries in Europe, the homes of Agyeya's friends in the Himalayas and universities in the US. This book is a magnificent examination of Agyeya's civilizational enterprise. Ambitious and scholarly, Writer, Rebel, Soldier, Lover is also an unputdownable, whirlwind of a read.

Suryakant Tripathi 'Nirala', the first modern Hindi poet of India, is all of sixteen and not conversant with the Khari Boli Hindi of the litterateurs yet when his father gets him married and sends him off to his in-laws' in Dalmau to fetch his bride. There he meets a strange man called Kulli Bhaat who claims descent from a family of bards and, despite his mother-in-law's reservations about Kulli's sexuality, Nirala finds himself drawn to Kulli. Then an influenza epidemic breaks out, claiming numerous lives, and Nirala's bereavement leaves him without mooring. Adrift on the boat of time, he seeks employment in various places but finds himself unable to stay away from Dalmau for long. Kulli, in the meanwhile, has taken a Muslim wife and become a champion of the untouchables. ## **A Pilgrimage to the Himalayas and Other Silhouettes from Memory**

Over sixty years, for numerous readers--of all ages; in big cities, small towns and little hamlets--Ruskin Bond has been the best kind of companion. He has entertained, charmed and occasionally spooked us with his books and stories, and opened our eyes to the beauty of the everyday and the natural world. He has made us smile when our spirits are low, and steadied us when we've stumbled. Now, in this brilliantly readable autobiography--his book of books--one of India's greatest writers shows us the roots of everything he has written. He begins with a dream and a gentle haunting, before taking us to an idyllic childhood in Jamnagar by the Arabian Sea--where he composed his first poem--and New Delhi in the early 1940s--where he found material for his first short story. It was a brief period of happiness that ended with his parents' separation and the untimely death of his beloved father. A search for companionship and security, undercut by a fierce independence and a tendency for risk-taking, would inform every choice he made for the rest of his life. With effortless intimacy and candour, Bond recalls his boarding school days in Shimla and winter holidays in Dehradun, when he tried to come to terms with a sense of abandonment, made friends, discovered great books and found his true calling. Determined to be a writer, he spent four difficult years in England, from 1951 to 1955, and he writes poignantly of his loneliness there, even as he kept his promise to himself and produced a book--the classic novel of adolescence, *The Room on the Roof*. It was born of his longing for 'the atmosphere that was India'--the home he would return to even before the novel was published, taking a gamble that would prove to be the best decision he made. In the final, glorious section of the autobiography, he writes about losing his restlessness and settling down in the hills of Mussoorie, surrounded by generous trees, mist and sunshine, birdsong, elusive big cats, new friends and eccentrics--and a family that grew around him and made him its own. Full of anecdote, warmth and gentle wit; often deeply moving and always with a magnificent sense of time and place--and containing over fifty photographs, some of them never seen before--*Lone Fox Dancing* is a book of understated, enduring magic, like Ruskin Bond himself.

## **Kumaon Himalaya, Temptations**

A classic poem with a timeless message, presented in a small and beautiful gift book. Rose Milligan never intended to publicly share her poem 'Dust If You Must', but a series of events led her to publish it in *The Lady* magazine in 1998. Her charming message about what we value in life resonated with audiences, and it has since been read on BBC radio, posted on Instagram, printed on tea towels, read at funerals and put to music. Now appearing as a book for the first time, beautifully illustrated throughout by illustrator Hayley Wells, *Dust If You Must* is a timeless reminder to focus on the things we can enjoy in the world, rather than the things we think we need to do.

To make matters worse, he is married to a woman he does not love and is pining for another man's wife. # ENGLISH LITERATURE

MUNSHI PREMCHAND is one of the most important writers of the Hindi–Urdu canon. His prolific writing contributed largely to shape the genre of the short story as we know it in India. His range and diversity were limitless as he tackled themes of romance and satire, gender politics and social inequality, with unmatched skill and compassion. Premchand’s writing often reflected his deep interest in the lives of the Indian peasant and this concern frequently extended to their cattle. He also wrote about the lives of pets with great sympathy. Very few writers have depicted such an intimate bond between animals and human beings. This carefully curated collection brings to readers some of his best stories on animals.
